Bylaw enforcement officer takes post

While retiring bylaw Enforcement / Development / Building Inspection officer Ralph Riemer spent his last day at the Town Office last Thursday, new Bylaw Enforcement Officer Bernie Nelson was on hand to learn the fine points of her new position.

Council decided to separate Riemer's job into three separate areas at the October 26 meeting. Duties of the development officer, including interpretation of the land use bylaw and dealing with development applications, were reassigned to Town Ad-

ministrator Pat Vincent, while building inspection became the job of Public Works Superintendent Ron Fraess.

It was decided at that time to advertise for a part-time bylaw enforcement officer, to train under Riemer prior to his retirement date.

Ms. Nelson's duties will include enforcement of bylaws, education and interpretation regarding the bylaws, and issuing of licenses, including business and animal licenses.

NEW BYLAW OFFICER — Bernie Nelson, new Bylaw Officer for the Town of Elk Point, spent last week learning the fine points of the job from Ralph Riemer, who retired December 31.

Looking back at 1987 news

As we hang up the new calendars and vacuum the last Christmas tree needles out of the carpet, let us look back at the year just past, twelve months packed with activities, revitalization and growth. Of course, there were a few days of pain and sorrow to be dealt with along the way — such is life. Here is 1987 as we remember it...

JANUARY — Elk Point's first new citizen of 1987, Christine Megan, made an early appearance in the wee hours of New Year's Day, much to the delight of parents Doris McGillivray and Ralph Benson ... Chris Shankowski skipped her rink to a Zone 7 win, and made Edmonton

Journal headlines with a win over the 1986 Alberta champions during the Northern Alberta Championships in Edmonton ... Marnie McCowan took up the reins of the FCSS Department ... Harvey Aarbo, Alban Bugej and Ken Nielsen were elected to the executive of the Alberta Cow-Calf Association ... Joan Darling was elected President of the St. Paul Progressive Conservative Constituency ... Pauline Scott's foursome defeated Georgina Morris' rink in the grand challenge at the Lindbergh Ladies' Bonspiel ... Elk Point Chamber of Commerce asked, by way of a newspaper survey, "Does Elk Point need a Chamber?"

BYERS ATOM TOURNAMENT WINNERS — Point this past weekend. Marwayne downed Mallaig 7-1. Marwayne Atoms won the "A" side of a 12-team tournament sponsored by Byers Transport, held in Elk in the final game. (More pictures Page 4)

Big drop in tax arrears

The Town of Elk Point has experienced a "Phenomenal reduction" in tax arrears, Municipal Administration Pat Vincent told Town Council at Monday's regular meeting.

Only 1.8 percent, or \$12,772 of the \$691,540 in taxes levied in 1987 were outstanding as of January 1, 1988. In contrast, the January 1, 1987 arrears totalled over \$81,000 Vincent noted.

Council agreed to dip into their Provincial Transportation Operational Assistance grant funding for two sizeable donations, one of \$8,000 toward the purchase and installation of a wheelchair lift system for the Elks Community Hall, and one of \$3,000 toward the purchase of a handi van to provide transportation of disabled and handicapped residents of the community. The latter project is being undertaken by the Hospital Board. A garage to house the van is ineligible for funding under the terms of the grant.

The arrival of wintery weather has brought only minimal snow but many complaints, Council discovered, in regards to removal of the white substance from sidewalks. One of the first tasks of new Bylaw Enforcement Officer Bernadette Nelson will be to remind citizens that sidewalks must be kept snowfree.

Council agreed to approach Alberta Transportation regar-

ding a need for NO PARKING signs on the 4-lane portion of Highway 41, where parked vehicles are restricting visibility for those entering the highway. Parking on the highway is prohibited under Bylaw 476/87.

With a regional landfill site no longer a probability, Town Council decided to approach the County of St. Paul with respect to the establishment of a long-term joint use agreement for the Town's use of the County's modified sanitary landfill site south of the river. Operation of the Town's landfill, which has a maximum future use of about 5 years, costs around \$5,000 per year, Council was told. Reclamation costs for the Town's site, estimated at between \$40,000 and \$50,000 could be covered entirely by a provincial grant if application is made before the end of March, and if the work could be

completed before 1990. The grant includes the work being done by the government to the required standards.

Those who obtain building permits for any new development will have a utility connection fee, equal to the cost of the required size of water meter, plus 10%, added to the price of their permit, Council agreed. It was also decided against refunds of the utility connection cost.

Council approved a recommendation by the Utilities Committee that Pan Canadian Petroleum be sent a detailed breakdown of costs incurred by the Town when repairs were made to Pan Canadian's water service. Faulty workmanship on the part of Pan Canadian's subcontractors was cited as the reason for the problem, which let a considerable amount of water escape.

Windsor Midget Elks holiday hockey update

By Shirley Osinchuk

The Windsor Midget Elks played a two-game exhibition series with the Edmonton Don Wheaton Midget A team on Dec. 19 and 20 in Elk Point.

An early goal by Darrell Pashulka, assisted by Lindsay Jenner and Rob Harms, started the scoring at 18:37. Edmonton replied with goals at 15:04 and 13:45, pulling ahead 2-1. At the 13:00 point, Kevin Bates scored for Elk Point, tying the score 2-2 for the first period.

Just a few seconds into the second period, Darrell Pashulka scored again, putting Elk Point ahead. Even though they played short-handed, goalie Bryce Lorensen deflected several shots on goal, and hold off Edmonton scoring attempts until the 8:03 point, when an Edmonton player screened Bryce, and the score was tied again. 3-3.

Three fast Elk Point goals put the Windsor Midgets ahead again. Dar-

win Roscoe, Kevin Bates and Darrell Pashulka scored, assisted by Blaine McLaughlin, Lindsay Jenner, Jason Reinhart and Darwin Roscoe, making the second period score 6-3.

Early in the third period, an Edmonton player drew Bryce too far out of his net, and scored. Elk Point was on a power play at the Edmonton net, but in spite of their good passing, the Edmonton defense held them off until 13:55, when Darrell Pashulka took a pass from Jason Reinhart to score the final goal of the game. Elk Point took a series of two-minute penalties, but held the score to 7-4 to win the first game.

The second game, on Sunday morning, was also a fast, well-matched game. This time, the Edmonton Don Wheatons won by a 6-5 score.

Four Elk Point Windsor Midgets, Bryce Lorensen, Lindsay Jenner, Rob Harms and Roger Osinchuk, played on the North team in the Midget All-Star Game on Dec. 26, in St. Paul. Two of the South players were Bob Oneschuk and Harold

Bowman from Dewberry, playing for Marwayne. Shawn Franklin was also playing from the Marwayne team, and Greg Thronson from the Vermilion team. Harold Bowman scored the first goal of the game, Greg Thronson assisted on the second. That put the South ahead by two. Then Lindsay Jenner scored, assisted by a Bonnyville player and Rob Harms.

There was a lot of good pass attempts but the passes were picked up by the opposing team. As the players got to know what to expect from each other, there were more successful plays. Right throughout the game, the skating was fast, and the game never was one-sided.

Rob Harms assisted again on the first goal of the second period, to tie the game, 2-2. A Mannville and Vermilion goal put the South ahead again for a few minutes, then Lindsay Jenner scored, with a St. Paul assist, to tie the score again. One minute later, at 1:04, a Grand Centre goal put the North ahead to finish the second

period 4-3.

The third period was fast, with exactly the same number of shots or goal for each side, but scoreless until the 27-second mark, when a disputed goal was scored by Marwayne's Franklin, to tie the score 4-4.

The ten-minute overtime period was fast and furious, with a North goal at 4:57, by a Grand Centre

player, assisted by Roger Osinchuk and another North teammate. That was the final score of the game, the North beating the South 5-4.

The three stars of the game were: 1. Grand Centre #2 for the winning goal; 2. Shawn Franklin of Marwayne for the tying goal; 3. Lindsay Jenner of Elk Point for scoring two goals, and tying the score.

Clandonald News

By Shirley Osinchuk

Statistics Clandonald:

In the year 1987, the Clandonald News reported four birthdays, 12 births, 13 deaths, four weddings and eight anniversaries. Of course, even the Clandonald News could miss a few.

We also had a train derailment, many student award winners, a raccoon finding, and sports events.

Fourteen Kindergarten students "graduated", four grade nines "prommed", 18 people received confirmation in the Catholic Church, and six received first communion.

There was a 12-foot sunflower, a 48-pound pumpkin and uncounted

mistakes.

The first Winter Carnival was a success, and the Clandonald Country Fair drew a large crowd again.

Clandonald boasts two active churches, Knights of Columbus, CWL, Fish and Game, Agricultural Society, Seed Cleaning Plant Association, Curling Club, two 4-H Clubs, Community Aid Association, Soccer Club, Ball Teams, Rusylvia Ball Teams, Ukrainian Community Association and Landonville Community Association. Did I miss any?

Our community is off to another busy year. Let me know in advance what your club is planning, so we can let everyone know.

Our resolutions for '88

It's that time again, when people far and near set out their good intentions for the coming year. Going over last year's issues, we decided it might be an opportune time to make a few resolutions of our own.

1. Fewer mistakes - in our very first issue of 1987, we called a perfectly obvious raccoon a beaver, and spelled the name of one of our local hockey teams, the Hotelers, 'Holerers'. This wasn't the end of it for the year, either - just last month, we pulled a big one - getting the names of first and second place tournament winners reversed. There were a few in between January and December, as well. Therefore, we resolve to be like Santa Claus, and "check it twice".

2. Being on time for events - although sometimes, when we're booked for two happenings back-to-back, being late may be inevitable -- we will try harder, anyway -- and if anyone out there discovers the secret of how to be

in two places at once, let us know immediately - it would really help!

3. Also, we will try to fit more items contributed by you, our faithful readers, into every issue, so you won't have to wait so long to have your good news made public.

4. We are also trying really hard to minimize film failures, and to make our pictures better all the time. No more dead flash batteries, we promise! We will start carrying spares! Extra film, too, whenever possible!

5. In the past, we may have seemed slow at returning your telephone calls. We promise to speed up our return time, and to keep trying if your line is busy. After all, you would do the same for us - wouldn't you?

6. We resolve to print all the good news we can find! Won't you help us? Thanks - we knew you would!

Have a great '88, everyone!

Fort Saskatchewan homecoming

Dear Editor:

The Fort Saskatchewan Catholic School District (Our Lady of the Angels, Pope John XXIII and John Paul II High) is planning a 25th Anniversary and Homecoming May 20-22, 1988. We would like to invite all former students and their families to join us at this historic celebration.

The Homecoming will include religious, social and family-oriented activities during what is surely to be the most colorful and exciting weekend in Fort Saskatchewan

history.

Pre-registrations will be received up to February 15 and final registration deadline is March 15, 1988.

Questions or inquiries regarding the Homecoming can be addressed to: Fort Saskatchewan Catholic Board of Education, 25th Anniversary Committee, 9526 - 89 Street, Fort Saskatchewan, AB., T8L 2X7, phone 998-4622.

Yours sincerely,
Carmen Quinlan
Committee Chairman

"A" SIDE RUNNERS-UP — Mallaig Atoms placed second in the "A" side of the Byers Atom Tournament in Elk Point last weekend, being defeated by Marwayne in

the final game. Glendon placed third and Bonnyville Blues fourth. Bonnyville Pontiacs and Saddle Lake also competed in the "A" side of the tournament.

TWO HILLS BLUES — Topped the "B" side of the Byers' Transport Atom Hockey Tournament in Elk Point

last weekend, with a narrow 5-4 win over Goodfish Lake.

GOODFISH LAKE ATOMS — Were close contenders in the "B" side of the Byers' Transport Atom Tournament in Elk Point, taking home the runner-up trophies. Two Hills Grey placed third and Ashmont fourth. Also taking part in "B" side action were Dewberry Atoms and the hosting Elk Point team. Between games,

the youngsters were entertained with video movies, thanks to three local businesses: CBM Confectionery, who supplied the television, Video Point, who supplied the VCR, and Rhondaray Confections, who supplied the movies.
